

# Jana Pastorová

Company	Archa interior s.r.o., WomenNet o.s.
Sector	Architecture design, interior architecture realisation, small construction works
Region	Litvínov, Ústí Region, the Czech Republic
Nomination as an ambassador	<p>Jana started her first business with group of friends. They bought a building in Litvinov town in the city centre in 1991 and rebuild it to the shop in ground floor, offices in the 1<sup>st</sup> floor and internet coffee in the attic (after 4 years it was changed to B&amp;B). She had also established with her best friend private company Archa interior Ltd. which is aimed at interior design and architecture. Jana has been mainly responsible for contact with clients and suppliers and accounting of the company. Due to her wide network of contacts she started with new activities focused on support of entrepreneurs and unemployed people from European Social Fund projects in 2011.</p> <p>Jana supports the potential female entrepreneurs in the field of networking, communication with clients and suppliers, accounting and social responsibility. Jana is also one of 3 founders of WomenNet c.a. which supports women generally by wide range of advisory, education and networking.</p>
About the company	<p>Archa interiér is aimed at interior design, interior architecture and small construction works. The company was established in 2000 and has run more than 45 contracts for architecture and interior design in private houses or flats, offices and public areas.</p> <p>WomenNet is the group associating clever and successful women (not only entrepreneurs but also women from public sector or employees) in the Most and Litvinov region. It is focused on improving of women “power” and strengthening women “spirit” in the region.</p>
