

Pavla Urbanová

Company	Kadeřnictví Pavla Urbanová, Dia Help o.s.
Sector	Hairdressing, help to children with diabetes and their families
Region	Most, Ústí Region the Czech Republic
Nomination as an ambassador	<p>Pavla was chosen as an ambassador because of her strength and long experience in small business. Pavla started her own business in 1992 with small hairdressing salon in Most. Because of her enthusiasm and skills she began train hairdressing students from schools and requalification courses and offered them her company as a place for practice. She has trained them, helped them with own business start-up and also with following advisory in field of hairdressing services and training. Due to her younger son problems with diabetes in childhood she established with other parents of these diabetes children a civic association Dia Help. Pavla is a head of the association and she has managed many donors' actions. She has really helped families, parents and also children to cope with the diabetes illness and to simplify and enrich their lives.</p>
About the company	<p>Hairdressing salon is a small salon which offers wide range of hairdressing services. The salon is aimed at all people (women, men, and children). It is also practice training centre for hairdressing students and people from requalification courses. Dia Help is the civic association which offers support to children with diabetes, their parents and families. It communicates with health insurance companies, Ministry of health and also pharmaceuticals companies and potential sponsors for the target group of children with diabetes. It also organises trips, events and activities for children with diabetes and strengthen inclusion of these children to the "normal" society.</p>
