

# Helena Zemánková Týřová

Company	JAPEK s.r.o.; WomenNet o.s.
Sector	Bakery; a civic association of women
Region	Litvínov, Ústí Region, the Czech Republic
Nomination as an ambassador	<p>Helena began as an accountant in a financial department of State bakeries in Litvinov. In 1993 during “the big privatisation” her father bought the state bakeries and transferred them into a private company. She started as a head of financial department in the new private family company. From 2013 Helena is managing director responsible for the company with more than 200 employees.</p> <p>She was awarded as the best business women in Litvinov region in 2012. Helena is also a councillor in Litvinov municipality. In 2013 she helped establish a civic women association WomenNet in the Most and Litvinov region and she is a head of the association. For long time Helena has supported women entrepreneurship and women generally in the region.</p>
About the company	<p>JAPEK Ltd. is a one of the biggest bakeries in the Ústí region. It has more than 200 employees and supplies regional market with fresh bakery production and also with frozen production. JAPEK supports lifelong employment, is responsible for its employees and highlights loyalty by its employees.</p> <p>WomenNet c.a. is the group associating clever and successful women (not only entrepreneurs but also women from public sector or employees) in the Most and Litvinov region. It is focused on improving of women “power” and strengthening women “spirit” in the region.</p>
